

# The Word, South Shields

Internal Rack Arm System

Curved Track with Wave curtains

Project	Solution	
<p>The Word in South Shields is a state-of-the art cultural venue. It is the national centre for the written word.</p> <p>Dearnleys were asked by the architect to provide a solar shading solution to the high level circular rooflight located in the conference facility known as 'The Round'.</p> <p>In addition, there was also a requirement for the curved perimeter glazing to provide further shading.</p>	<p>Dearnleys supplied and installed an Astralux 6000 motorised internal Venetian Rack Arm system to the circular rooflight, cut to exact size during installation.</p> <p>In addition, Dearnleys supplied and installed Silent Gliss 6100 curved manual track with a Silent Gliss Wave curtain, using Sundown dim-out fabric to the curved glazing.</p>
